NEERAJA BIJU

MCA GRADUATE

I am an IT professional with a Master's degree in Computer Applications (MCA). I have strong expertise in Python, Data Science, and JavaScript, and I am proficient in HTML, CSS, C++, and SQL. I am eager to apply my technical skills and problem-solving abilities as part of a dynamic team while continuing to grow and learn in the ever-evolving tech industry.

PROJECTS

BOOK MY BARBER | Major Project MCA , KTU
Jan 2024–Apr 2024

- Developed a web application to streamline scheduling and managing barber appointments.

- Implemented real-time updates to enhance communication between customers and barbers, reducing wait times and improving overall efficiency.

- Built using React, Express.js, Node.js, and MongoDB.

AI CODE CONVERTER | Mini project MCA , KTU
Sep 2023–Jan 2024

- Designed a web application to convert code snippets between programming languages and generate code based on natural language inputs.

- Integrated advanced AI capabilities using the OpenAI API, enabling efficient language conversion for developers.

- Created with JavaScript, React, Next.js, and JSON.

SKILLS

- Programming Languages: Python, JavaScript, MongoDB

- Web Technologies: HTML, CSS

- Operating Systems: Windows, Linux

- Data Science and Analytics: Data analysis, data visualization, machine learning techniques

CERTIFICATES

- Earned a Course Completion Certificate in Basics of Python from Infosys Spring Board.

- Achieved NPTEL Online Certification in Cloud Computing.

- Completed NPTEL Online Certification in The Joy of Computing Using Python.

EDUCATION

MCA | (Master of Computer Application)
